

set_value

```
graph LR; A[set_value] --> B["doris::vectorized::  
Value::reset"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is gray and contains the text 'set_value'. The right box is white with a black border and contains two lines of text: 'doris::vectorized::' on the top line and 'Value::reset' on the bottom line.

doris::vectorized::
Value::reset
