

TopicListener

```
classDiagram
    class TopicListener
    class UserResourceListener
    UserResourceListener --|> TopicListener
```

The diagram illustrates a class hierarchy. At the top is a gray-shaded box labeled 'TopicListener'. Below it is a white box labeled 'UserResourceListener'. A blue arrow points from the 'UserResourceListener' box up to the 'TopicListener' box, indicating that 'UserResourceListener' inherits from 'TopicListener'.

UserResourceListener
