

insert_result_into

```
graph LR; A[insert_result_into] --> B["doris::vectorized::  
IAggregateFunction::  
get_argument_types"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is gray and contains the text 'insert_result_into'. The right box is white with a black border and contains three lines of text: 'doris::vectorized::', 'IAggregateFunction::', and 'get_argument_types'.

doris::vectorized::
IAggregateFunction::
