

doris::WrapperField
::copy

```
graph LR; A[doris::WrapperField::copy] --> B[direct_copy]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'doris::WrapperField' on the top line and '::copy' on the bottom line. The right box is gray with a black border and contains the text 'direct_copy'. A blue arrow points from the right side of the left box to the left side of the right box.
