

doris::vectorized::
VMetaScanNode::_init
_scanners

```
graph LR; A["doris::vectorized::  
VMetaScanNode::_init  
_scanners"] --> B[prepare]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'doris::vectorized::', 'VMetaScanNode::_init', and '_scanners' on three lines. The right box is gray with a black border and contains the text 'prepare' on a single line. A blue arrow points from the right side of the left box to the left side of the right box.

prepare
