

doris::Rowset::load

```
graph LR; A[doris::Rowset::load] --> B[on_load]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'doris::Rowset::load'. The right box is gray with a black border and contains the text 'on_load'. A blue arrow points from the right side of the first box to the left side of the second box.

on_load
