

string\_to\_int

```
graph LR; A[string_to_int] --> B[skip_leading_whitespace]; B --> C[is_whitespace];
```

A flowchart illustrating a sequence of three operations. The first operation, 'string\_to\_int', is contained within a gray rectangular box. A blue arrow points from this box to the second operation, 'skip\_leading\_whitespace', which is in a white rectangular box with a black border. Another blue arrow points from the second box to the third operation, 'is\_whitespace', also in a white rectangular box with a black border. The boxes are arranged horizontally from left to right.

skip\_leading\_whitespace

is\_whitespace
