

AddSharedHighWaterMarkCounter

```
graph LR; A[AddSharedHighWaterMarkCounter] --> B[doris::find_or_insert]; A --> C[name];
```

The diagram illustrates a node, 'AddSharedHighWaterMarkCounter', which is a gray rectangle. From its right side, two blue arrows point to two separate white rectangles. The top arrow points to a rectangle containing the text 'doris::find_or_insert'. The bottom arrow points to a rectangle containing the text 'name'.

doris::find_or_insert
