

create\_serialize\_column

get\_serialized\_type

get\_return\_type

```
graph LR; A[create_serialize_column] --> C[get_return_type]; B[get_serialized_type] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box is white with a black border and contains the text 'create\_serialize\_column'. The bottom box is also white with a black border and contains the text 'get\_serialized\_type'. On the right, there is a single box that is gray with a black border and contains the text 'get\_return\_type'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box. The arrow from the top box points slightly higher than the arrow from the bottom box.
