

push

```
graph LR; A[push] --> B[doris::Status::OK]; B --> C[doris::Status::Status];
```

A flow diagram consisting of three rectangular boxes connected by blue arrows. The first box on the left is gray and contains the text 'push'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'doris::Status::OK'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'doris::Status::Status'.

doris::Status::OK

doris::Status::Status
