

`deserialize_from_column`

```
graph LR; A[deserialize_from_column] --> B["doris::vectorized::  
IAggregateFunction::  
deserialize_from_column"]
```

The diagram illustrates a function call or transformation. On the left, a gray rectangular box contains the text `deserialize_from_column`. A blue arrow points from this box to a white rectangular box on the right. The white box contains three lines of text: `doris::vectorized::`, `IAggregateFunction::`, and `deserialize_from_column`.

`doris::vectorized::`
