

\_\_math\_uflowf

```
graph LR; A[__math_uflowf] --> B[__math_xflowf]; B --> C[eval_as_float];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text '\_\_math\_uflowf'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text '\_\_math\_xflowf'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'eval\_as\_float'.
