

__math_oflowf

```
graph LR; A[__math_oflowf] --> B[__math_xflowf]; B --> C[eval_as_float]
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text `__math_oflowf`. A blue arrow points from this box to the second box in the middle, which is white with a black border and contains the text `__math_xflowf`. Another blue arrow points from the second box to the third box on the right, which is also white with a black border and contains the text `eval_as_float`.
