

doris::FileUtils::copy\_file

```
graph LR; A[doris::FileUtils::copy_file] --> B[copy_path];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'doris::FileUtils::copy\_file'. The right box is gray with a black border and contains the text 'copy\_path'. A blue arrow points from the right side of the left box to the left side of the right box.
