

get_info_for_log

```
graph LR; A[get_info_for_log] --> B[get_info_for_log_impl]
```

A diagram illustrating a function call. On the left, a white rectangular box with a dark gray border contains the text 'get_info_for_log'. A blue arrow points from the right side of this box to the left side of a second box on the right. The second box is gray with a dark gray border and contains the text 'get_info_for_log_impl'.
