

copy_date_types

doris::vectorized::
ColumnNullable::set
_date_type

set_date_type

```
graph LR; A[copy_date_types] --> C[set_date_type]; B[doris::vectorized::ColumnNullable::set_date_type] --> C;
```

The diagram illustrates a mapping or transformation. On the left, there are two source boxes. The top box, labeled 'copy_date_types', has a blue arrow pointing to the right. The bottom box, labeled 'doris::vectorized::ColumnNullable::set_date_type', also has a blue arrow pointing to the right. Both arrows converge on a single target box on the right, labeled 'set_date_type'. The target box is shaded gray, while the source boxes are white with black borders.
