

~ExternalScanContextMgr

```
graph LR; A[~ExternalScanContextMgr] --> B[doris::CountDownLatch::count_down]
```

A diagram showing a call from a destructor-like function to a latch's count\_down method. On the left, a gray rectangular box contains the text '~ExternalScanContextMgr'. A blue arrow points from the right side of this box to a white rectangular box on the right. This white box contains the text 'doris::CountDownLatch' on the top line and '::count\_down' on the bottom line.

doris::CountDownLatch  
::count\_down
