

FloatToBuffer

```
graph LR; A[FloatToBuffer] --> B[safe_strtof]; B --> C[ascii_isspace];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'FloatToBuffer'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'safe_strtof'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'ascii_isspace'.
