

operator int64_t

```
graph LR; A[operator int64_t] --> B[to_int64]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'operator int64_t'. The right box is gray with a black border and contains the text 'to_int64'. A blue arrow points from the right side of the left box to the left side of the right box.
