

get_next

```
graph LR; A[get_next] --> B[_cast_string_to_array]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is white with a black border and contains the text 'get_next'. The right box is gray with a black border and contains the text '_cast_string_to_array'. The arrow points from the right side of the first box to the left side of the second box.
