

```
doris::stream_load  
::IndexChannel::init
```

```
graph LR; A["doris::stream_load  
::IndexChannel::init"] --> B["find_tablet"]
```

A diagram showing a call from the `doris::stream_load::IndexChannel::init` function to the `find_tablet` function. The call is represented by a blue arrow pointing from the left box to the right box.

```
find_tablet
```
