

doris::pipeline::Operator  
Base::row\_desc

```
graph LR; A["doris::pipeline::Operator  
Base::row_desc"] --> B["row_desc"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'doris::pipeline::Operator' on the top line and 'Base::row\_desc' on the bottom line. The right box is gray with a black border and contains the text 'row\_desc'.

row\_desc
