

doris::vectorized::
DecimalComparison::getScales

```
graph LR; A["doris::vectorized::  
DecimalComparison::getScales"] --> B["scale_factor_for"]
```

The diagram illustrates a function call. On the left, a white rectangular box with a black border contains the text `doris::vectorized::DecimalComparison::getScales`. A blue arrow points from the right side of this box to a gray rectangular box on the right. The gray box contains the text `scale_factor_for`.
