

```
doris::BufferControlBlock  
::get_batch
```

```
graph LR; A["doris::BufferControlBlock  
::get_batch"] --> B["on_data"]
```

A diagram illustrating a function call. On the left, a white rectangular box with a black border contains the text `doris::BufferControlBlock` on the first line and `::get_batch` on the second line. A blue arrow points from the right side of this box to a gray rectangular box on the right. The gray box contains the text `on_data`.

`on_data`
