

read_one_message

```
graph LR; A[read_one_message] --> B[read]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is white with a black border and contains the text 'read_one_message'. A blue arrow points from the right side of this box to the left side of a second box on the right. The second box is gray with a black border and contains the text 'read'.
