

`_release_mem`

```
graph LR; A["_release_mem"] --> B["doris::vectorized::  
Block::clear"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is gray and contains the text `_release_mem`. The right box is white with a black border and contains two lines of text: `doris::vectorized::` on the top line and `Block::clear` on the bottom line.

`doris::vectorized::`
`Block::clear`
