

SystemMetrics

```
graph LR; A[SystemMetrics] --> B[update]; B --> C[_update_cpu_metrics];
```

A flowchart illustrating a sequence of three components. The first component, 'SystemMetrics', is in a white box. A blue arrow points from it to the second component, 'update', which is also in a white box. Another blue arrow points from 'update' to the third component, '\_update\_cpu\_metrics', which is in a gray box. The boxes are arranged horizontally and connected by arrows pointing from left to right.

update
