A flowchart illustrating the relationship between three memory-related functions. It consists of three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'UNALIGNED_STORE64'. A blue arrow points from this box to the second box in the middle, which is white and contains 'memcpy'. Another blue arrow points from the second box to the third box on the right, which is also white and contains 'inline_memcpy'. All boxes have a thin black border.
