The diagram illustrates a file dependency structure. At the top is a header file box labeled `/Users/dabowang/be_all/io/fs/s3_file_writer.h`. Below it are two source file boxes: `/Users/dabowang/be_all/io/fs/s3_file_system.cpp` on the left and `/Users/dabowang/be_all/io/fs/s3_file_writer.cpp` on the right. Blue arrows point from each source file box up to the header file box, indicating that both source files include the header file.
