

```
doris::stream_load  
::VOlapTableSink::send
```

```
graph LR; A["doris::stream_load  
::VOlapTableSink::send"] --> B["update_num_rows_load  
_total"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text `doris::stream_load::VOlapTableSink::send`. The right box is gray with a black border and contains the text `update_num_rows_load_total`.

```
update_num_rows_load  
_total
```
