```
graph LR; abort[abort] --> OK[doris::Status::OK]; OK --> Status[doris::Status::Status]
```

A flow diagram consisting of three rectangular boxes connected by blue arrows. The first box on the left is gray and contains the text 'abort'. A blue arrow points from this box to a white box in the middle containing 'doris::Status::OK'. Another blue arrow points from the middle box to a white box on the right containing 'doris::Status::Status'. All boxes have a thin black border.
