

/Users/dabowang/doris  
/be/src/runtime/stream  
\_load/stream\_load\_executor.h

memory

gen\_cpp/FrontendService  
\_types.h

```
graph TD; A["/Users/dabowang/doris<br>/be/src/runtime/stream<br>_load/stream_load_executor.h"] --> B[memory]; A --> C["gen_cpp/FrontendService<br>_types.h"]
```

The diagram illustrates the dependencies of the file `/Users/dabowang/doris/be/src/runtime/stream_load/stream_load_executor.h`. Two blue arrows originate from the bottom of the top box and point to the boxes below. The left arrow points to a box labeled `memory`. The right arrow points to a box labeled `gen_cpp/FrontendService_types.h`.
