

```
doris::vectorized::  
BinaryOperationImpl  
::adapt_normal_constant  
_vector
```

A diagram illustrating a mapping from a C++ function to a constant vector. On the left, a white rectangular box with a dark border contains the C++ code: `doris::vectorized::BinaryOperationImpl::adapt_normal_constant_vector`. A blue arrow points from this box to a gray rectangular box on the right, which contains the text `constant_vector`.

`constant_vector`
