

allocated_bytes

```
graph LR; A[allocated_bytes] --> B[byte_size]; B --> C["doris::vectorized::PODArrayBase::size"]
```

A flow diagram with three rectangular boxes connected by blue arrows. The first box on the left is shaded gray and contains the text 'allocated_bytes'. A blue arrow points from this box to a second, white box in the middle containing 'byte_size'. Another blue arrow points from the second box to a third, white box on the right. This third box contains two lines of text: 'doris::vectorized::' on the top line and 'PODArrayBase::size' on the bottom line.
