

get\_next

```
graph LR; A[get_next] --> B[_fresh_left_block]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'get\_next'. The right box is gray with a black border and contains the text '\_fresh\_left\_block'. A blue arrow points from the right side of the first box to the left side of the second box.
