

SenderQueue

```
classDiagram
    class SenderQueue
    class VDataStreamRecv_PipSenderQueue["VDataStreamRecv::PipSenderQueue"]
    VDataStreamRecv_PipSenderQueue --|> SenderQueue
```

The diagram illustrates a generalization relationship. At the top is a white box labeled 'SenderQueue'. Below it is a gray box labeled 'VDataStreamRecv::PipSenderQueue'. A blue arrow points from the gray box up to the white box, indicating that 'VDataStreamRecv::PipSenderQueue' is a specialized version of 'SenderQueue'.
